Not Just

RUN OF THE MILL

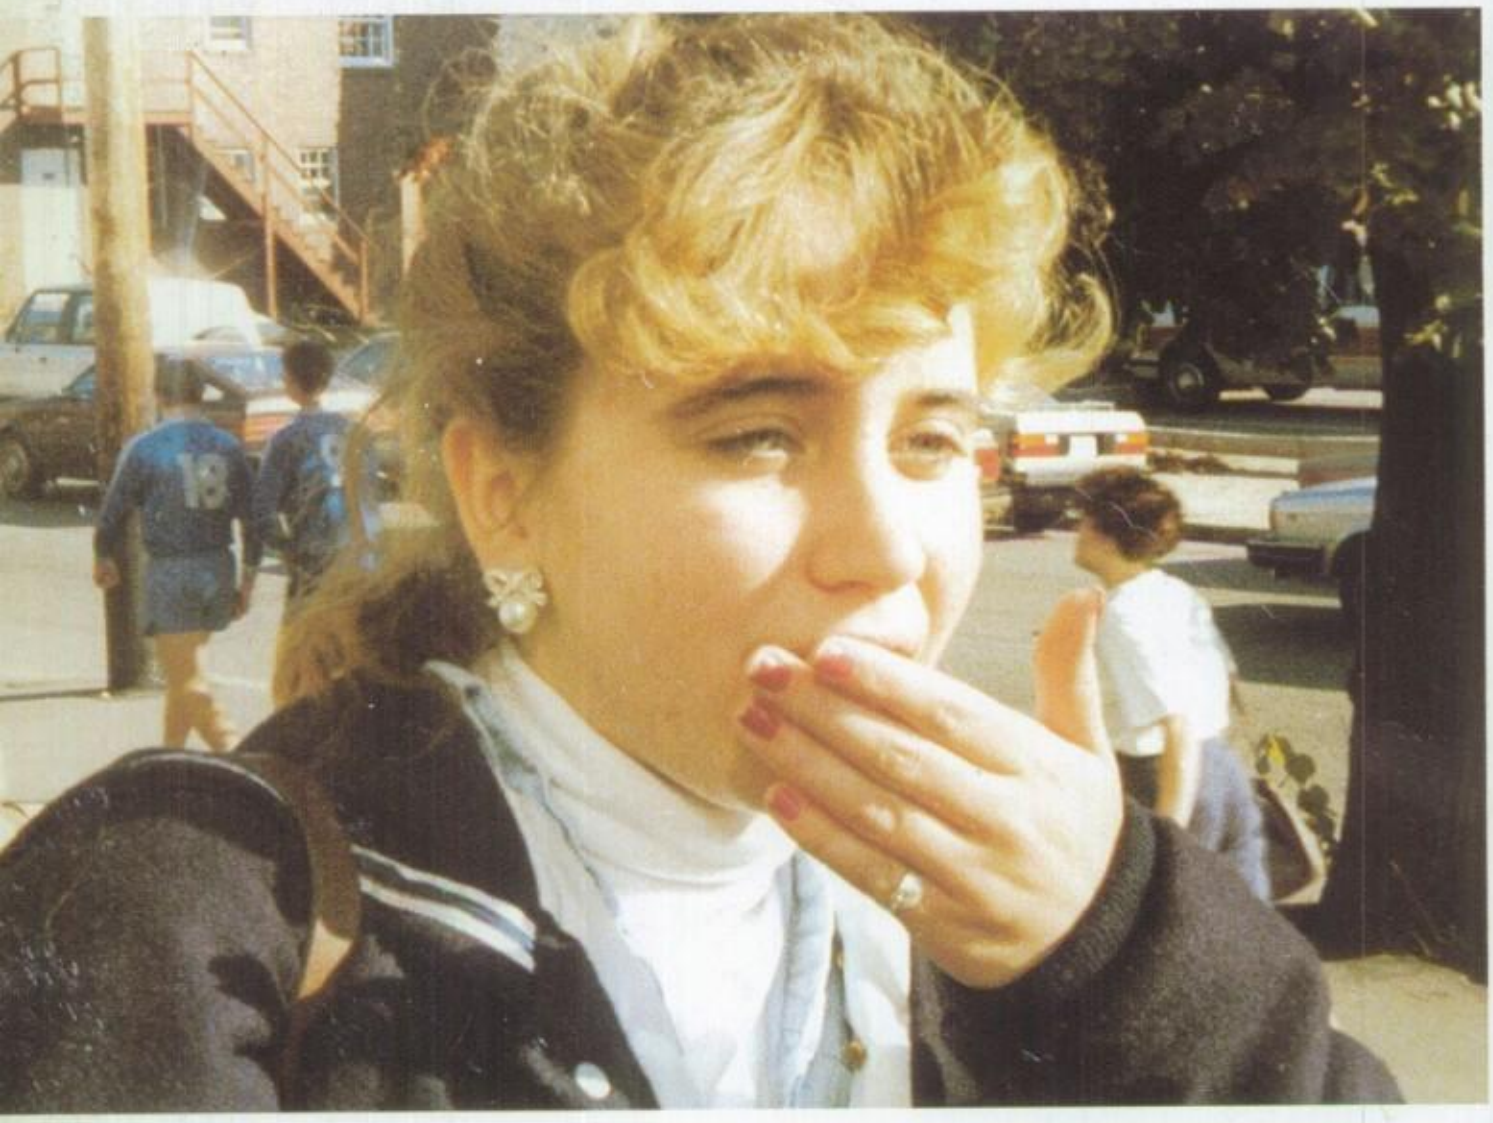
West High School in the heart of Manchester's historic millyard is definitely NOT Just Another Run of the Mill high school. Its uniqueness is the result of a delicate blend of dedication, caring, pride and school spirit intrinsically displayed by the student body, faculty and administration. The numerous curriculum offerings provide something for everyone. Striving to achieve excellence in academics, sports and extra-curricular activities, provides an atmosphere of camaraderie second to none. Our National Art Honor Society and Naval Junior Reserve Officer Training Corps organizations are just two examples of this diversity.



"We've got practice today ?!" exclaims Blue Squad chearleader, Julie Chase.

Successful at last! D.J. Withee bobs for a MacIntosh at a Halloween Party.

DE-FEET OF WEST, three students take a stand for West.

The Blue Crew wants YOU!! Two students show their spirit as they support the football team at Gill Stadium.

Throughout this book, we the 1988 Thesaurus staff will attempt to show you just what sets West apart from other schools. Every page demonstrates a familial unity experienced by each and every member of the student body. The caring and compassion of the students, faculty, and staff are shown through their effort to better the community as well as the school itself. West has earned the respect of Manchester citizens through its many hours of dedication to community service. A special pride prevails at West and is felt while walking through the corridors, attending an athletic event, or going to a dance.

Not Just ANOTHER SEASON

Spring is a time of new hope, beginnings, and challenges. The students and faculty of West High faced this spring season of 1987 with the determination and spirit which commonly prevails throughout our school.

Our sports teams were very successful and put a great deal of effort into achieving the goals which they set out to reach. Our congratulations go out to all the athletes, who through their hard work and perseverance, managed to do so well this season.

The students of West who have set very high standards for themselves, and have maintained these standards were honored at the annual Excellence Banquet. West is very proud of these highly devoted students, and their achievements do not go unnoticed.

Our school didn't make it through the season without a little touch of the very common spring fever! Everyone got a little lazy during West Week last year. It was an opportunity for all to lighten up and have a truly fun time! Student Council presented West with a week of excitement which won't soon be forgotten.

As the school year came to a close, the air was full of excitement. The upcoming prom festivities kept everyone busy, but more importantly, the seniors were about to graduate! The Class of '87 said goodbye and the Class of '88 moved into the top spot, ready for the exciting times that lie ahead!

The pitching of Jay Stevens exemplifies the hard work and dedication to excellence that are a part of all our sports teams

REAL DIAMOND DAZZLING GEMS

With the efforts of Senior co-captain, Rick Fitzgerald, and a supporting cast of Juniors, Sophomores and Freshmen, the 1987 rebuilding season, which finished with an exceptable, 6-12 record, became one of hope. As we saw Sophomore Pat Gosselin and Freshmen John Tippet rise at the conclusion of the season to belt two home runs, we realized there was light at the end of the tunnel.

And the light becomes more spectaclular as we will be welcoming back many Juniors, including this year's Ace-In-The-Hole Ken Proulx and two, 3-year veterens in Tom Caputo and co-captain Eric Sabean.

The future seems bright for the hitters in the blue and white.

DIAMONDS ARE FOREVER

Michelle Clement delivers the deciding pitch.

In a season filled with fine games the 1987 girls softball team created a record of 12-5. The unbeatable battery of Michelle Clement, pitcher and Lauren Lavigne, catcher, brought the team to the State Tournament. The girls reached the semi-finals by beating Central and Concord, but lost to Merrimack. The top players were Junior Michelle Clement with a no hitter, Sophomore Amy Martin, second baseman for a tight defense and shortstop and backup pitcher, Freshman Jody Gleason. Next year's team looks very promising with a strong Junior Varsity team. In their own season they worked very hard with the fresh new players.

Right: Debbie Gosselin slugs another one into the outfield.

1st row: Amy Martin, Lynn Morganstern, Karen Wurtel, Nicole LaFlamme-Capt Kelly Cote, June Frechette. 2nd row: Karyn Misenheimer, Laura Lavalliere, Jodi Gleason, Debbi Muir, Jenn Sullivan-Capt, Lauren Lavigne, Lauren Gosselin, Michelle Clement, Jack Sopel-Coach

OUTSTANDING IN THEIR FIELD

This year's 1987 Girls Track team was packed with super stars. Denise LaRocca, as captain, supported her team with an 8-6 season record. As a team they came in second in the city meet with Class L's in view for Sr. Denise LaRocca, Jr. Jenn Zeludancz, Jr. Heidi Follet, Jr. Karen Cote, Jr. Kelly Pearson, Jr. Maureen Broderick and Soph. Tracy Alsheskie. Many of these girls went onto the states, but Jenn, Heidi and Kelly placed high enough to compete in New Englands. Who could ask for more? But Coach Shricker wants next year's team to rank even higher.

BULLETS N' BOUNDERS IN BLUE

Adam Mailloux prepares to launch his body over the bar in the pole vault.

Although small in numbers and finishing with a subpar record, the 1987 boy's spring track team didn't fail to have its share of outstanding track and field stars as far as Class L and State meets are concerned.

Among those who qualified for these meets were Juniors Dave Monesmith in the triple jump and Mark Lahey in the long jump. In addition to the Class L and State Meets, Seniors Frank Bieniek and Dan Beaudet qualified for the New England meet at Boston College in the 800 meter run and triple jump respectively. Both represented West with overflowing pride.

Next year may surely prove to be a rewarding season as many promising underclassmen are sure to return with the renewed desire and intestinal fortitude of Olympic Athletes.

Mark Lahey-absent.

SMASHING COURT PLAY

Rounding out the season with a 9-8 record, the 1987 boys' tennis team was successful in achieving a .500-plus record despite the presence of only three seniors. As a four year veteran, senior Mike Bayer was ranked second in the state and worked his way to the quarterfinals in the state tourney while accumulating a 14-3 regular season record. The 1988 season looks even more favorable as we anticipate the return of five players from the class of '88 and several under classmen who have gained valuable experience this past season.

COURT COVERAGE

The 1987 girls tennis team has spent many hours of concentration and hard work to gain a super record of 12-5. Junior Jody Speyer led the team in its excellence to play in the States. The magnificent playing of Doubles Duo sophomore Katie Daly and junior Jody Speyer led them in the Doubles Competition. The team is definitely a group of winners.

ALL PLAY AND NO PLAY

In April, 1987 Student Council presented its annual West Week. The Council's selection of in-school events, night events, and dress themes were great. They provided West with some fun and memorable moments.

The creative dress themes led to much participation by both students and teachers. The week included Sweats Day, Dressup-Dressdown Day, Nerdomania Day, Dune Day, and of course, Class Colors Day.

The night activities this year were very popular and fun for all. They included the Video Sock Hop Dance in the gym, the Senior Class Show, the comedian duo Burns and Kaufman and the hypnotist, Guy Anthony. Student Council ended the week with the Knight Jam Dance.

The assemblies planned for each day of the week were a tremendous success. The band SRO performed live in the gym on Monday. Tuesday, the staff here at West presented the Faculty Follies. Annual Class competitions were held on Wednesday, and as always, the Mighty Mighties took first place. Thursday morning, the student body became the live audience of the NewlyWest Game. We watched our class couples find out just how well they knew each other! The Lip Sync Contest was held on Friday. Alicia Aumand and Melissa Murphy took first place with their rendition of Sunny and Cher's "I Got You Babe".

West Week '87 was a fun filled week for both students and faculty. Student Council, we commend you for all your hard work and dedication to the school throughout the year!

1987 Prom Queen Susan Ellison with her court: Kerry Sheehan, Mary Bradley, and Pam Warren.

On Friday evening, May 29, 1987 the senior and junior classes of West celebrated "A Night in Heaven" at the Sheraton Tara Wayfarer in Bedford.

The Prom was a tremendous success and fun-filled for all who attended. Our lovely ladies and handsome gentlemen truly enjoyed themselves as they dined and danced the night away.

This year the faculty chose five nominies from both the senior and junior classes for Prom Queen. The senior girls were Kari Cadwallader, Kim Casey, Jen Sullivan, Shawna Moquin, and Lauren Gosselin. The junior girls were Pam Warren, Kerry Sheehan, Sue Ellison, Sue Steinberg, and Mary Bradley. The students voted and Kim Casey and Sue Ellison were chosen as West's beautiful Prom Queens.

The evening was truly "A Night in Heaven" and will be a lasting memory for all who were present

EXCELLENCE '87

The third annual Excellence Banquet which was held at the Bedford Sheraton-Wayfarer certainly did not fail to demonstrate that academic excellence is a unique quality of West that is unprecedented by any other high school. The top ten students both weighted and unweighted in each of the four classes were honored for their academic achievement and were presented the Excellence Award.

Other awards were also given on this night. The department awards were issued to the Seniors who had shown outstanding achievement in each of the departments of the school. The "Teacher of the Year" award was given to Mrs. Geraldine Thomas. A zealous teacher and SADD advisor, she showed us what teaching is all about. We were also honored with having Professor Lyra Bentman as a guest speaker who further enlightened us.

All in all, the night was a great occasion to thank and honor those who deserved it

Not Just ANOTHER STAFF

West's faculty. Whether leading an outdoor education course or teaching honors English, West's faculty is committed to the students. But, the commitment doesn't end in the classroom. Every day they can be seen coaching sports teams, advising clubs, and chaperoning dances. They realize high school isn't only homework and tests. They are here to help the students, not only in schoolwork, but in all areas of life.

West's faculty. They are Not Just Run of the Mill.

Life is a beach - foreign style.

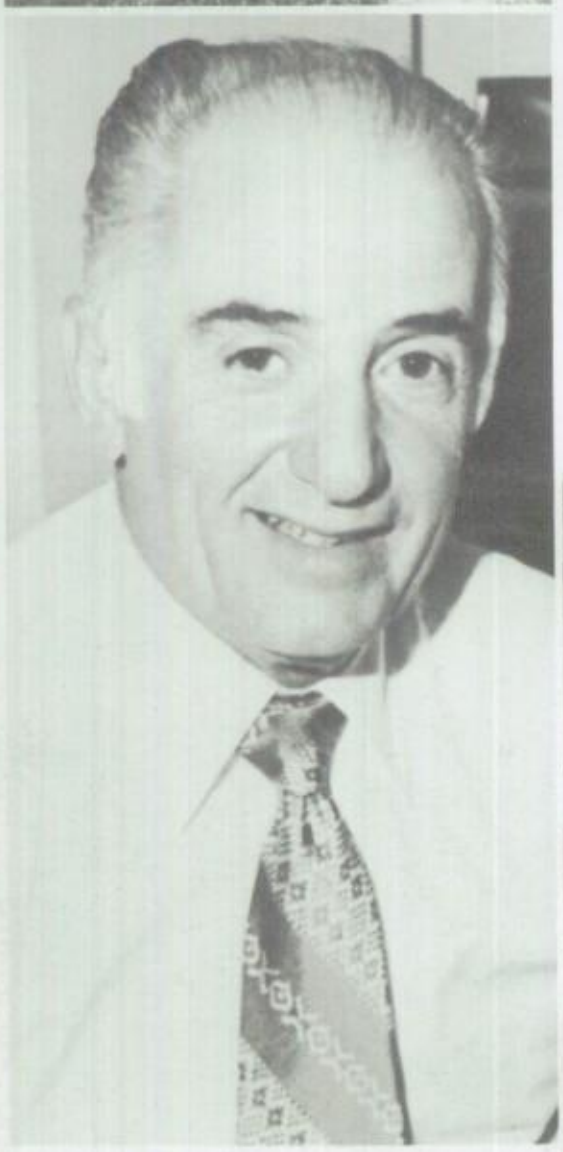
Dedication

This fall, when Mr. Dick Vlangas retired arter 24 years at West, a change was felt throughout the school. Though very few of the present faculty members recall when he first joined West's English department in 1963, many remember his presence in the guidance department in later years. Everyone; faculty, students and staff, associated him easily with his title of assistant principal, a position he had held since 1974.

His years at West have been marked by more than dedicated service. Mr. Vlangas has taken the time to interact with people by selling tickets at school events, joking with athletes at games and even flirting with the cafe ladies. He took the time to know us, and to care about us. For that, we thank him.

We, the editors or the Thesaurus staff, dedicate the 1988 Thesaurus to the memory of Mr. Dick Vlangas who was "Not Just" an administrator; he was a friend.



MESSAGE FROM THE PRINCIPAL

While it may not seem possible, another year has come to a close. For seniors, this represents the end of high school years and the beginning of another phase of the journey through life. We know that those who have been diligent in the pursuit of knowledge will be prepared to meet whatever challenges which may lie ahead.

On the behalf of all of us at Manchester High School WEST, I salute the members of the Class of 1988. We have been fortunate to be a part of your lives. Please remember us in the years ahead and come back to visit your alma mater. You will always be one of our "cherished".

DOWN BY THE RIVER

Following tradition, West students started the year out right with outstanding participation in the weekend celebration of Riverfest. Although the weather wasn't so pleasant, our unique school spirit shined!

The festivities began Friday night with a live performance of Shanana. Saturday afternoon our Blue Squad Cheerleaders participated in the annual Filene's cheerleading competition, while members of the West student body did their part in supporting them. The girls did an outstanding job and although placed third, West High spirit prevailed throughout the celebration!

Saturday night took off with a bang as the City of Manchester witnessed one of the best firework displays yet!

Thanks to all of our thirsty students here at West, we took first place in the Pepsi contest, once again proving that West is best!

Riverfest was a great success and a great way for West students to show their support and enthusiasm as they began a new school year!

Service With A Smile

Heidi Jenkins and Krista Apostolides model their new shirts purchased from the SADD organization.

As in the past, the Student Council's Service Week was another huge success, proving that West High students care about their community.

The Canned Food Drive saw cupboards being emptied as Period A classes competed for the honor of being top collectors of cans for the Soup Kitchen. Mr. Ratten's class (with 936 cans total) sneaked by Mr. Normand's class by 27 cans. All of this food plus generous contributions by various school organizations were presented at a special Thanksgiving Day Assembly.

Soup Aid II provided an additional $4,877.00 for the Soup Kitchen. This fast paced, exciting and loud concert featured the live performance of Open Fire during which the students pledged whatever they could to help the needy.

All week long, receptacles were placed in the cafe for aluminum cans. Once again the money, made from recycling the cans, was given to the Soup Kitchen.

Our Area's Senior Citizens enjoyed a festive and delightful atmosphere when they attended the annual Spaghetti Supper. Food and entertainment aplenty were the courses for the evening.

An evening to remember was the Harvest Dance. This Semi-Formal occasion was the setting for love and friendship as couples danced the night away. The crowning of King Rick Yager and Queen Bonnie Wilmarth ended the evening, the sensational Service Week, and another fantastic job done by everyone at West.

Candy Thompson, president of the Media Club, presents the Soup Kitchen representative with a check.

Not Just ANOTHER STRATEGY

The 1987-1988 sports year was undoubtedly the year of the Blue Knight as each and every sports team handed in an outstanding season. Each team displayed a dedication to hardwork and perseverence which exemplified the commitment to excellence motto of Manchester West. In establishing our sports program as one of the best in the state, many of our teams tallied up winning records and qualified for post-season Class L tournaments. Our girls soccer team and the girls winter track squad both brought home state championships in their respective sports for the third consecutive year, an astounding feat, and several teams finished with final records that were found to be the best ever recorded in West High history. Mr. Harlan, who became the new sports coordinator when Chief Walburn stepped down from the helm, played a major part in the success of our sports program, and his time and effort was greatly appreciated. Through the effort of all the athletes, the coaches, the faculty, the Bleacher Creatures, the Blue Crew, and the rest of the Blue Knight fans, West High's sports teams have become premier forces in New Hampshire's Interscholastic Athletic Association.

PIGSKIN PRIDE

Some things such as a fine wine or an antique car take time to come of age or excellence. It would only be a matter of time until our football team would emerge from its shell and become the premier pigskin squad in the state.

With a 5-4 record that included wins over defending state champ Pinkerton and their opponent in the finals, Keene, West earned its way to the Turkey Bowl on Thanksgiving Day to meet Central for the city Championship. Led by an overwhelming number of seniors and the notorious "Hog God" the team earned the respect of the other high schools as well as its own. Thank you team for a great season and the best of luck in the Turkey Bowl!

JUNIOR GRIDSTARS

Following in the footsteps of its elder Varsity team, the JV team sweated its way to a 6-2-1 season. Characterized by a heated passing and running attack, the team proved that when it comes to football, West is one school to be reckoned with. Overflowing with Sophomore and Junior talent, the team is a top quality squad that will fuel the varsity squad to many victorious seasons for years to come. When we look at the future of West football, we know that we can depend on the overlooked JV team, the roots of success in WEST Football.

FOOTBALL FLEDGLINGS

Alex Huard sweeps left after receiving the hand-off as a defender pursues.

The outlook on this year's Junior High-Freshman football team ensures us that up and coming stars will be rising through the system to provide us with another strong squad in the future. Although they finished the season with a 1-6-1 record, we can expect the team to improve as we have once before seen our football team flourish from a weed to a blossomed flower.

PSYCHO BOOTERS

This years Boys Varsity Soccer team, which has adopted the motto "Psycho", has the distinct honor of being the best boys soccer team West has ever had. Having attained the best record in school history as well as this year's best regular season record in the state, the team made the State tournament but was unexpectedly eliminated by Nashua in the semifinals.

The season did end on a high note how ever when John Marshall, who was named all-state with Jeff Goebel, was also nominated as All American.

Rick Yager and Gary Sullivan were named to Second-Team All State and Coach Gosselin was honored as Class L "Coach of the Year."

There is no doubt that after all the awards and honors are bestowed, West is certainly the best in Boys Soccer.

BABY BOOTERS

The Boys J.V. Soccer team turned in a season that really mirrored that of the Varsity team. With a 10-2-2 record the team was living proof that the future of the Boys Varsity Soccer at West is tremendous.

The squad, by uniting the efforts of Freshman and Sophomores alike, succeeded in defending its city championship and brought the trophy home to West again.

We can be comforted to know that the West supremacy in Boys Soccer will again be shown outright for many years to come.

LITTLE STATE CHAMPS

Erin Murphy sprints past an Exeter opponent to tackle the ball.

With a record of 13-1-0 who could contend with West's girls soccer being number one? They demolished every team they played against. After their first game, and their only loss against Milford, the West girls banded together. They gained confidence, strength, and tactics to their remaining games after the loss. They knew they could win every game they played.

In a total of fourteen games, only ten goals were scored against the little blue. They scored triple this over all the other teams they played. One thing you can say about this Junior Varsity team is that they are heading for the big State Championship.

THREE IN A ROW

"Three in a row, will they continue this show?" For a thrird consecutive year the girls soccer team annexed another, yes, another state crown. The West Blue Knights rewrote the record books and finished off the season with a record of 13-0-1. They were led into the tournament by a fantastic core of seniors, backed up by an outstanding cast of underclassmen.

Hardwork, determination, skill, and teamwork pulled the team together to face the challenge of defending the state title. Heading into every game with the motto "We're down by three goals" they smothered their own overconfidence and the other teams!

A BUMPY ROAD

Teamwork and spirit was the combination that opened the door to the City Tournament for the volleyball team last year. Each player gave her heart and soul to the team and as a result obtained a spot in the tournament for the first time in four years. This was quite an impressive accomplishment due to the fact that the girls encountered several disadvantages during the season. Their inability to play home games proved to be a great disadvantage because the fans and supporters found it difficult to keep track of where and when the girls were playing. Also, it was a young team. Many of the girls were new players and only two of them were seniors. However, much of the young girls' inexperience turned into valuable experience indicating that the team will be very strong next year. Congratulations girls and good luck!

NET REVIEW

This year's junior varsity team was self sustaining. They finished the season with a record of 13-4. The team had to push extra hard due to their small size. The team had to be ready because they only had enough players to have six on the court and two subs. They were always the away team since they had to play at Central. The junior varsity squad had to play late at night, after the varsity, yet they managed to stick with the game with determination. They had four shutouts which highlighted their season.

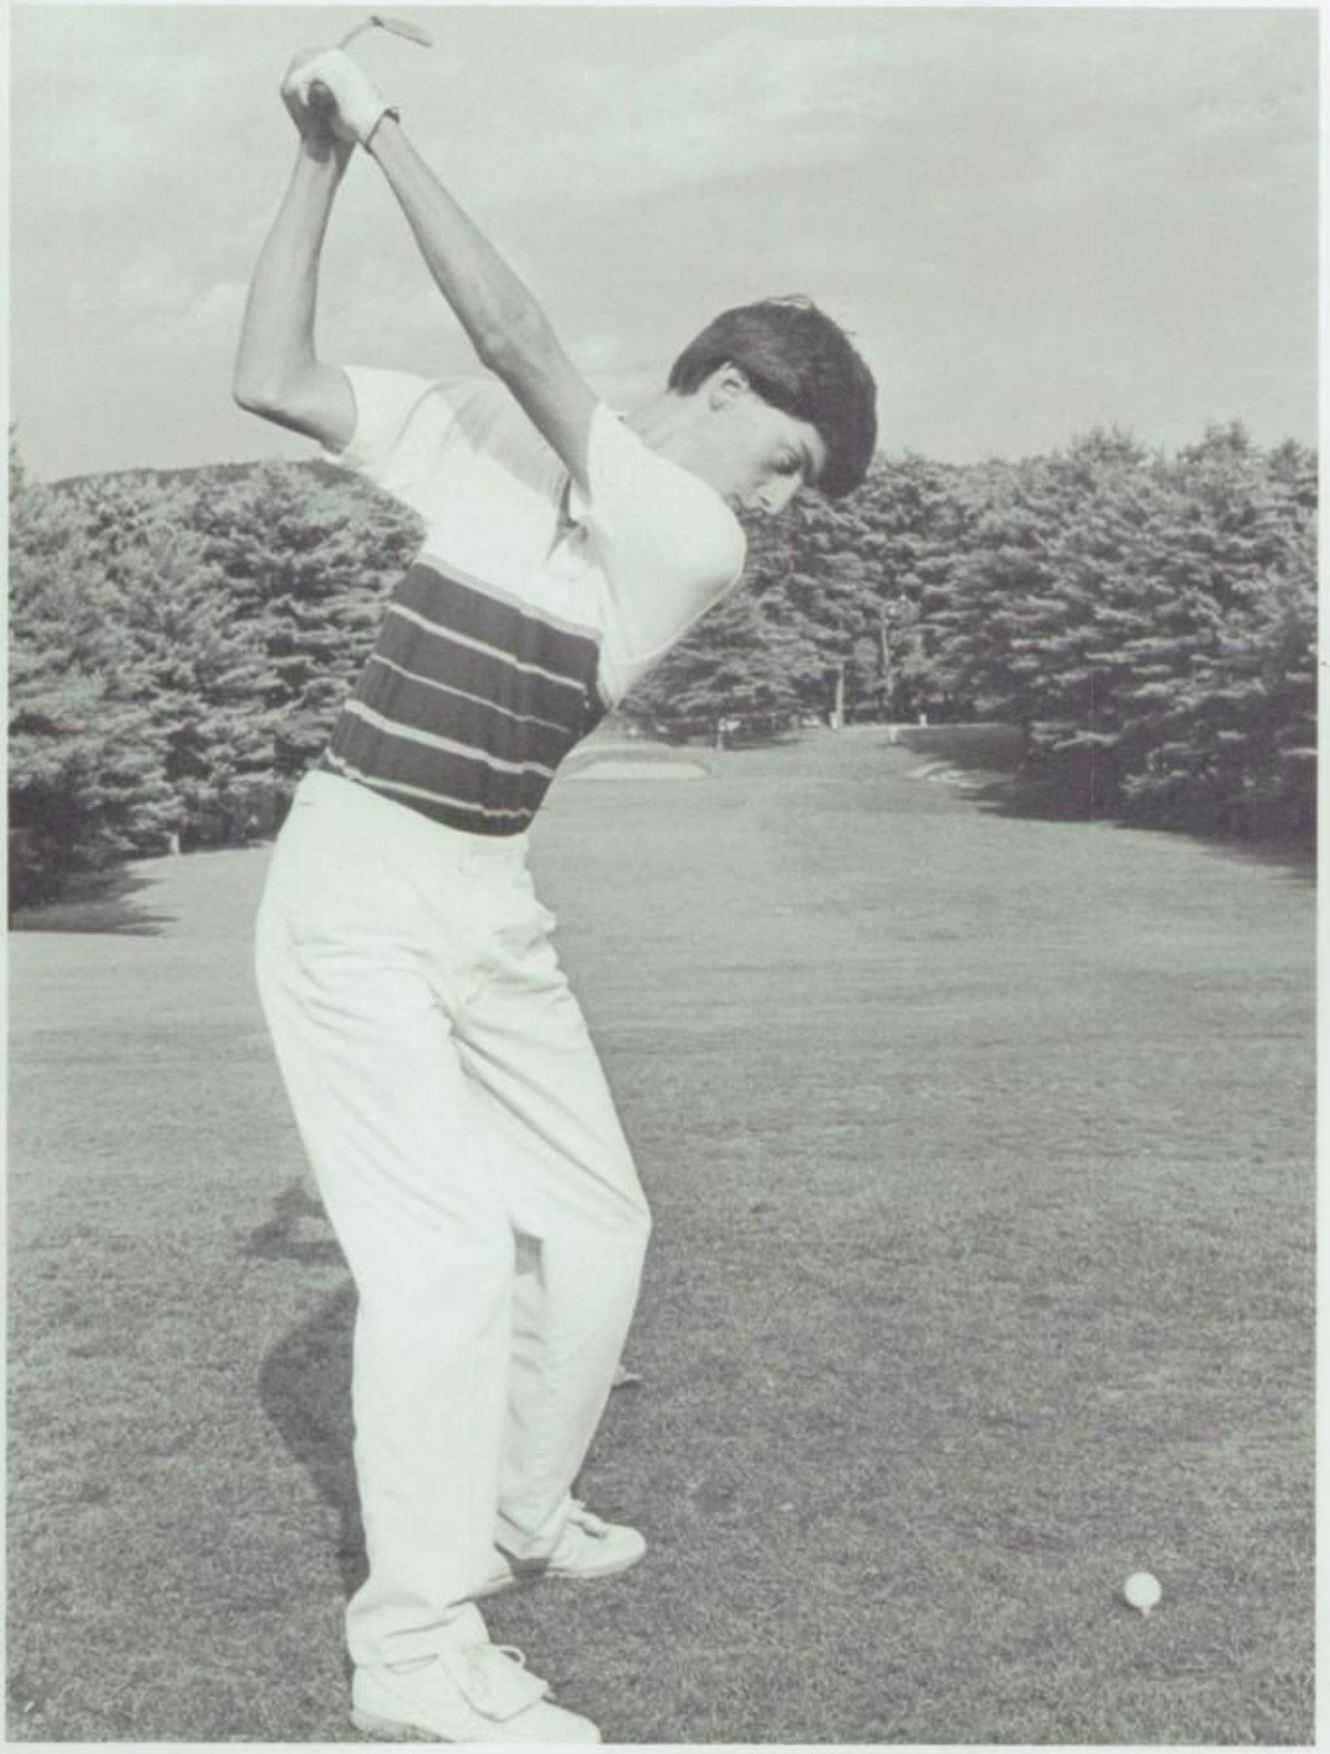
CLUBBING CREW



Chris Bardorf captured in action, clubbing the ball off the first tee.

Fore! You better duck when you see our golf team coming. Finishing with an 18-7 record and rising as undisputed champs in the city, our team established themselves as the premier "clubbing crew" in the state. Leading the team to a nearly perfect season were seniors Todd Atkinson, Dave Galeucia, Ken Lamy, and Steve Bardorf. Steve won the individual honor of city champ and by ranking 11th in the state, he qualified for the second round of the state tournament. Once again, we have shown that West is a power on the fairways and greens.

FLEETING FEET

Supported by a strong cast of complementary runners, and a couple of thoroughbreds, this year's Boys Cross-Country Team held its own against the other Class L squads (with a 6-8 record).

There were many great individual efforts put in as well. Tom Alsheskie in particular finished 13th in the State Meet and qualified for the New England meet were he placed 22nd. He was the 5th fastest runner from New Hampshire. Mark Perutz and Brian Tuson always turned in outstanding finishes while the rest of the team contributed valiantly throughout the season. With a team of many fine talents, there's hope that more State and N.E. meet qualifiers will emerge from the pack.

RUNNING ON EDGE

Captain Debbie Marston concentrates on her stride and pace in order to stay in the lead.

Cross Country takes hardwork, discipline, and endurance. This is what the girls team has. This team definitely has heart. They competed with the West pride at every meet.

Some of the most notable meets they participated in were the Portsmouth Relays, the City Meet, Manchester Invitational, and the Bishop Guertin Invitational. Our team placed second in the City Meet and ran to a fourth place finish in Class L's. Because of this accomplishment the team was able to participate in the State Meet.

Tracy Alsheskie ran in the New England Meet as an individual and placed 21st. As a whole this team deserves a pat on the back and a star to guide them next year.

SENSATIONAL CAGERS

The 1987-1988 boys' varsity basketball team accomplished two things this year that no other West basketball team had accomplished in nearly 15 years. For the first time since 1973, when West last won the class L championship, our Blue Knight cagers finished the season with a winning record. They qualified for the post season class L tournament with a 10-8 record. Senior veterans Rob Souter, Tim O'Connell, Alain Croteau, and Dave Monesmith contributed fully to help lead the squad through this landmark season. Juniors Gary Sullivan, Chris "Moose" Morin, and Denny Linehan showed great poise as first year lettermen and played major roles in the team's success. A big thanks goes out to Coach Ameen who has brought the team up from the darkest depths to the top of class L.

BOUND FOR THE TOP

In the past couple of years, the JV program has played a major part in lifting the varsity program off the ground by molding superb talent. This year was no exception. With a 16-2 record, the squad was teeming with quality hoop players. Great individual play was shown by co-captains Jim Withee and Jason Bishop along with several other fine sophomores. With their unrelenting run and gun style of ball, this crop will surely be ripe enough to make a run for the State title when the become varsity lettermen.

NEW BREED HOOPSTERS

Starting off fresh with new people is never something that's easy. Our freshman basketball team realized that but soon overcame it. After losing the majority of its games early in the season, the team developed a sence of closeness and unity that enabled them to win most of their remaining games and compile a 7-9 record. As this bunch continues to play together and develop that team unity, they will undoubtedly turn out to be an exceptional troop of hoopsters.

DEDICATED HOOPSTERS

Dedication and hard work were the two key words for the birls varsity basketball team. The team was a small team in height, a problem that is very discouraging for a basketball team. Through hours of hard practicing and concentration they became contenders for a tournament bid. However the team was plagued with injuries. In their final game of the season against Alvirne they played their hearts out. In double overtime they lost by one point and lost a tournament spot as well. Next year looks promising for the team because of the experience gained by a talented group of underclassmen.

'GOTTA HAVE HEART

Knightie Pride has kept this girls JV basketball team going. They stand alone in the crowd. To the girls JV team, this season was very hard and cruel. However, each and every game they kept their heads held high. Sportsmanship was their middle name. Not once did they give in, they stuck it out through thick and thin. Winning isn't everything, its how you play the game - sums up their season and from what we know they have a perfect season.

HOOPWARD BOUND

A time-out gives Mr. Ullrich a chance to discuss strategy.

A bright future is definitely in store for this shining team. The girls freshman team won almost every game they played. They worked very hard to achieve their second place ranking in the state. The freshman team came in with a lot of talent and determination and will move up to the J.V. and varsity levels with a lot of confidence and pride on their side.

MAT MEN

The "Mat Men" of West High have surely made a name for themselves in the world of wrestling around the state. They have earned the respect of all their opponents and have well deserved it. Going through sweaty, hard nosed practices in the mat room have made them a team of dedication, desire and hunger. You could see it in their eyes before they wrestled and it was evident in their record. The Blue Knight wrestlers finished the season with an outstanding 9-2-2 record. They came in sixth at the state tournament in Plymouth and several wrestlers had individual honors. Joe Suozzo finished second in the state while Mark Apostolides and Bill Wilcox placed third in their respective weight classes. All three wrestlers qualified for the New England meet where they were expected to have another good showing.

Through hard work and love of the sport, the West High wrestlers have come together and made themselves a great team.

RUNNING WILD

Due to renovations at the UNH fieldhouse last winter the boys track team ran all its meets at Dartmouth this year. In the open meets held there many outstanding performances were turned in by several individuals as many boys qualified for the State Meet where the team made a respectable showing. Several athletes qualified for New Englands. They included Tom Alsheskie in the 3000m, Mark Lahey in the long jump, Dan Drukteinis in the high jump, and the 4x800 relay team. Overall the team performed well and the talented underclassmen show promise for next year.

ALL WORK AND NO PLAY

Senior star Karen Cote sets the pace in the West gym.

This equals a third state championship banner for the girls track team. When they began in late November, the state title did not look promising. With the UNH track out of commission the girls had to travel two hours every Saturday to the Dartmouth track. Their coaches Mr. Ratten and Mr. Shricker made them work extremly hard. From grueling sprint practices in the halls to tiring long distance practices through the west side hills. All the work paid off. At the state meet Sr. Karen Cote placed first in the 1000 m, Jen Zeludancz placed second in the 600m and the relay team placed first. Other top finishers were Heidi Follet, Tracy Alsheskie and Kelly Pearson. Definitely West High School is a team to be feared by the other track teams.

Cindy and Laurie are definitely on the mark.

HEAD FOR THE HILLS

"I fall down!" Kerry Sheehan exclaims after missing a gate.

Ski Team is a team that has hardly ever been heard of. But this team is definitely not obscure. The combined boys and girls team are terrors on the slopes. The season is a short one from December to February starting with dryland training that comprises of running up and down McIntyre. Then the snow arrives and the training through the gates starts. Through the season the teams competed in meets well enough to qualify them for the Divisional Meet. There the Girls came in overall runnerup in the division of x-country and downhill racing. Ski Racer Jumping Janet Kane gathered one of the most prestigious awards of skimeister. The boys put a lot of effort into the meet by placing second in the giant slalom race. Next year there is a lot of promise for overall state divisional title.

KOOL KNIGHTS

Hardwork and perseverance was the theme for this year's varsity hockey team. Limited in strength, the squad played every game as though it was their last and their pride never failed to show through.

Skating to a respectable 6-12 record, they offered a challenge to all the top dogs and never went down without a fight. Exceptional individual play was shown by captain Scott Paquette, assistant Eric Grant, junior Aaron Scribner, and sophomore John Cloutier.

Great goaltending was displayed by Kevin Daigle and Ted Brown as night after night they sacrificed their bodies for the good of the team. As long as the team continues to play this way in the years to come, there will be no denying them a state championship.

JUNIOR BLADES

Keyed by great goaltending, a high speed offense and tough defense, the JV hockey squad turned in a sensational season with a 8-5-1 record. Although they didn't have the benefit of playing in front of supporting crowds every game, they always skated with the utmost desire and spirit, never backing down regardless of the opponent. With the success of the JV hockey team, we can look forward to a successful varsity program in the following years.

KNIGHTS OF THE DEEP

Their only victory came over Keene with excellent performances by all. "This has been our best year. We actually won a meet", said Karen Wurtele.

In the State Meets Eric Jones placed first in the breast stroke, Terry O'Brian placed 5th in the 50m freestyle and Karen Wurtele placed first in the 50m freestyle in the female division. This has been a very inspiring season with more to come!

That's how it is; for a while. Then something happens. Somehow four distinct groups merge to form one; Manchester High School West.

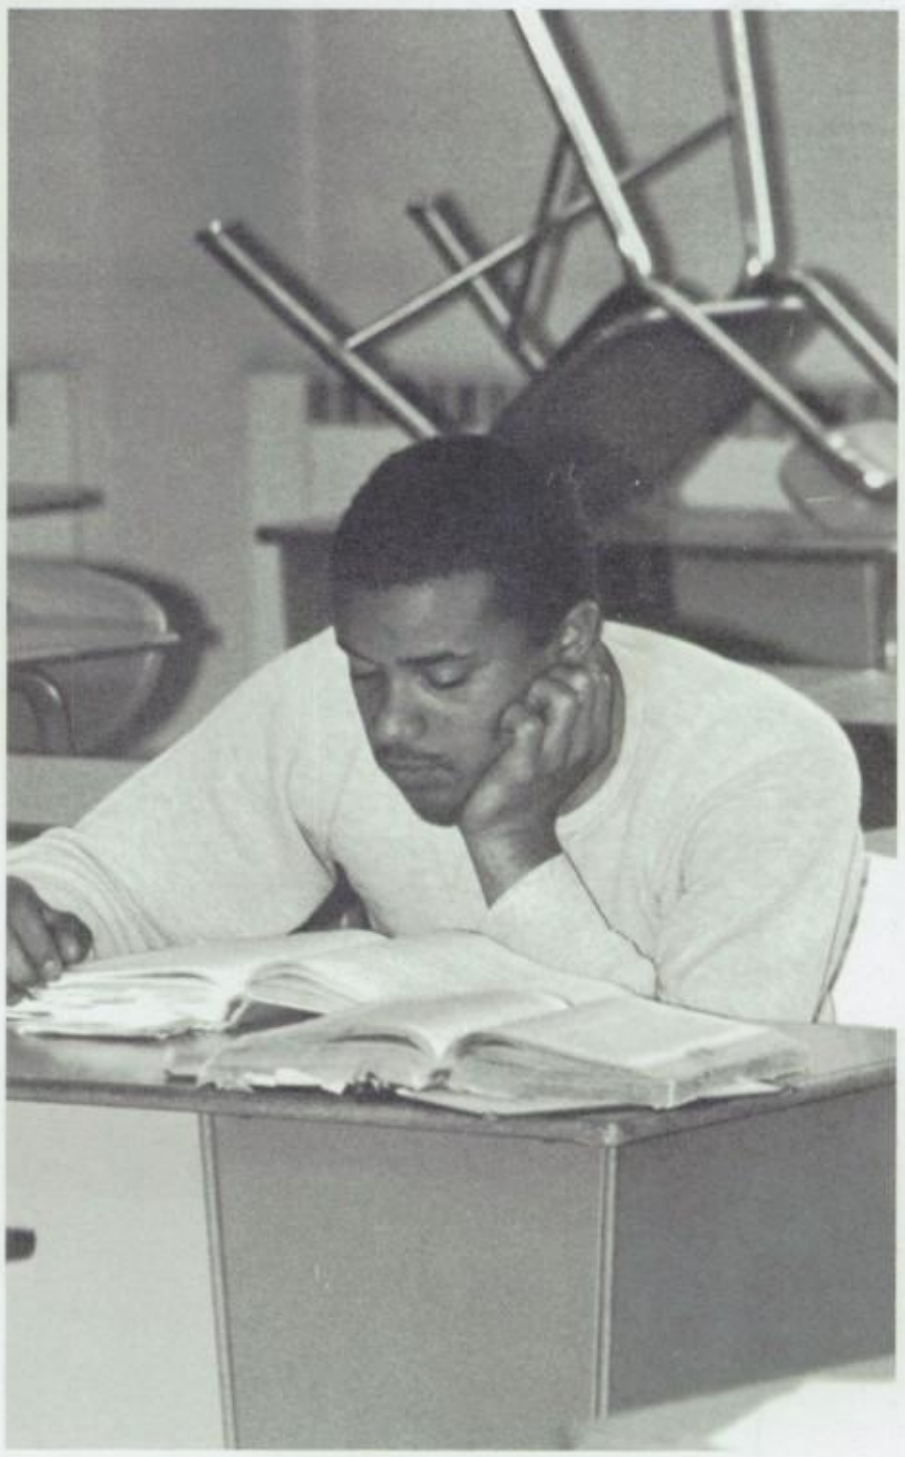
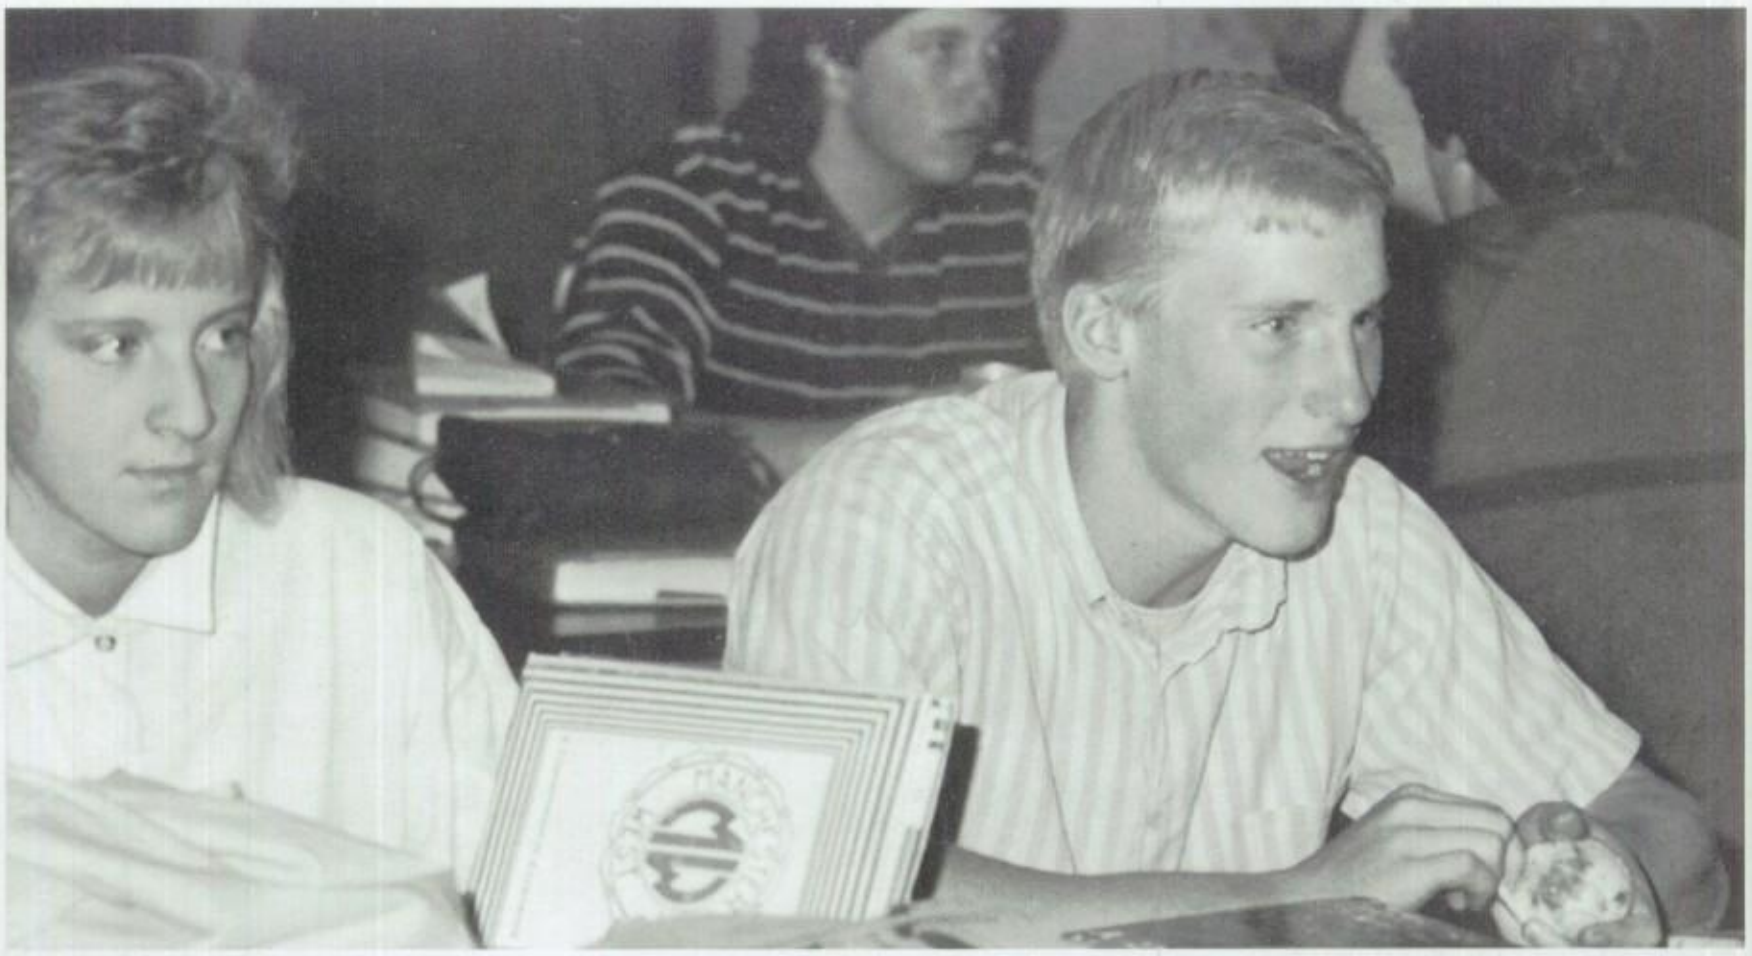
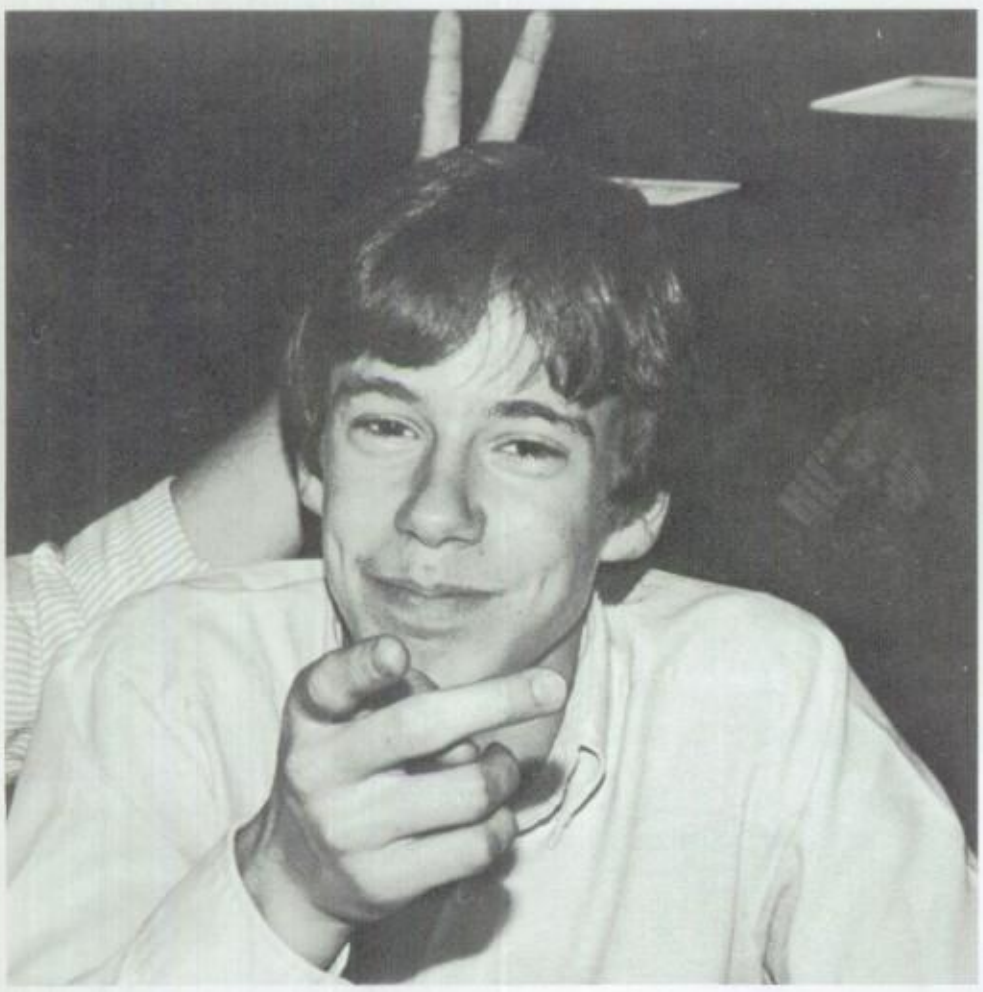
Derrick Joseph says, "I love poetry!"

is this excitement or what?!!



Melissa Flynn and Scott Thomas, 2 social butterflies.





George Rheault; A man with it all together.

Are they following Proper Kitchen Procedures?

Kristen Defelice and Scott Koellmer trying to unlock the Quantum Mechanic Theory.

Stacy Palys taking those memorable "DOT" tests.

JOLLY JUNIORS

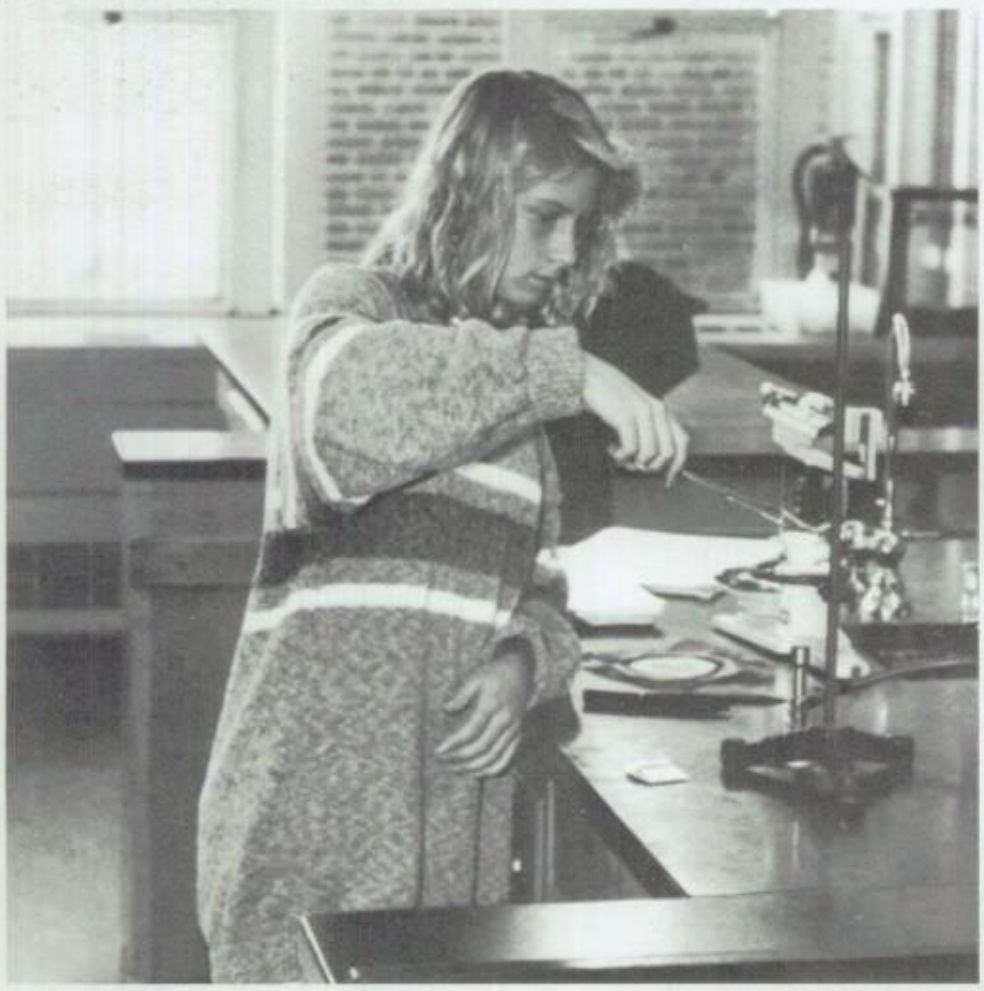
Junior Class Officers, Miss Levine-Advisor, John Tanner-Secretary, Ellen Custer-Vice President, Erik Arnold-Treasurer, Dawna Tack-President, Joe Catanese-Historian.

Martin Provencher, what a wealthy man!

See what that hypnotist did to us!

Heidi Jenkins, a star of the future?!

Junior spirit prevails!



Heidi Boisvert: "I just don't understand this at all."

Scott Blanchette: He's got legs, and he knows how to use them.

Elizabeth Bennet, Dawna Tack, Kim Egan, Shelly Whitacre.

Dan Shapiro has proven that more air to the scalp lets the brain work better.

SENIOR OFFICERS

Dave, I suppose that this is all strictly class business, too?

Mrs. Roy - Advisor, Dave Preston - cohistorian, Laura Detwiler - cohistorian, Dennis Withee - VP, Sue Ellison - President, Heather Hough - Secretary, Jon Letendre - Treasurer, Mrs. Alden - Advisor.

Right idea - but a little early... Class Officers model caps and gowns after Class Day - '87.

Sue Ellison (Sr. Pres.) and Dawna Tack (Jr. Pres.) battle it out at the Soup Aid concert.

CLASS ODE

DON'T SAY GOODBYE

Time goes by, it goes by so fast,
seems like the moments don't last.
Mem'ries sweet have passed us by,
but there's no reason to cry.

Don't say goodbye, my best friends,
we'll see each other again.
And when you call me I'll be there,
if you need someone to care.

We've shared the laughter and the tears,
we tryed to conquer our fears.
Ready to face what lies ahead,
look back and remember what was said.

Don't say goodbye...

We're ready to walk down roads
so dark and unknown,
but with our mem'ries by our sides,
we have nothing to fear alone.

Don't say goodbye, my best of friends,
we'll see each other again.
And when we leave, don't make a fuss,
'cuz you've spent the best four years of your life with us.

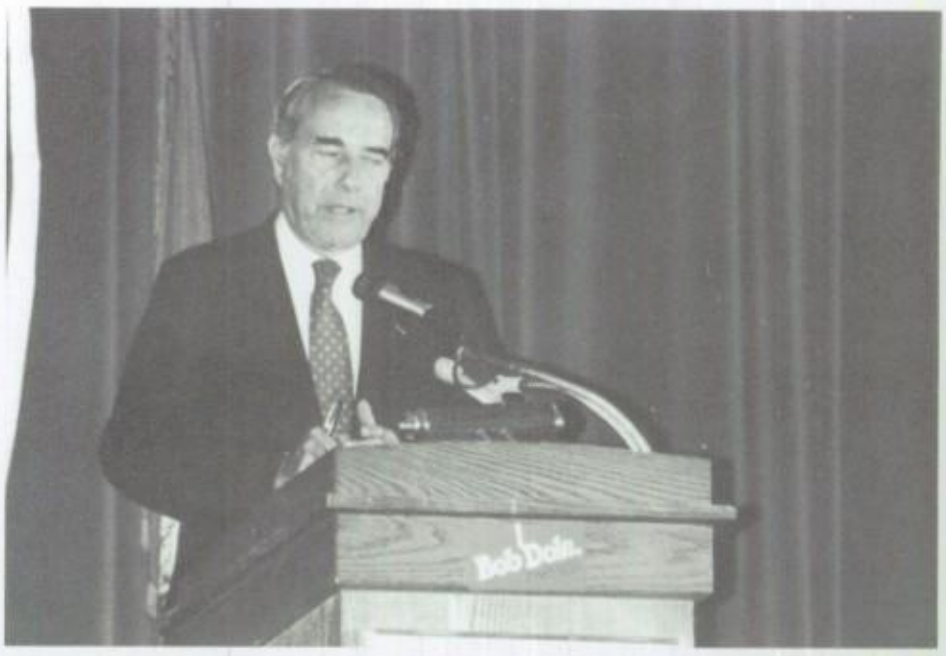
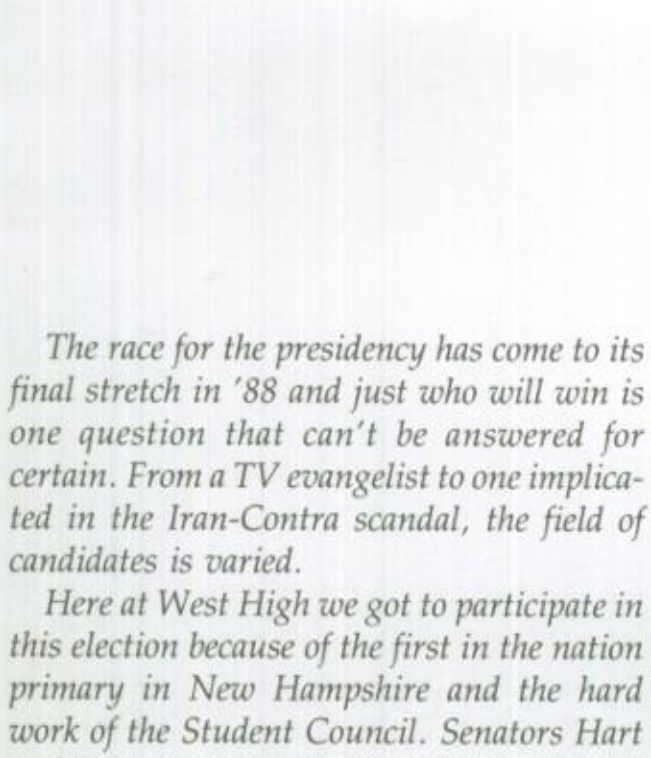
ELECTION '88

The race for the presidency has come to its final stretch in '88 and just who will win is one question that can't be answered for certain. From a TV evangelist to one implicated in the Iran-Contra scandal, the field of candidates is varied.

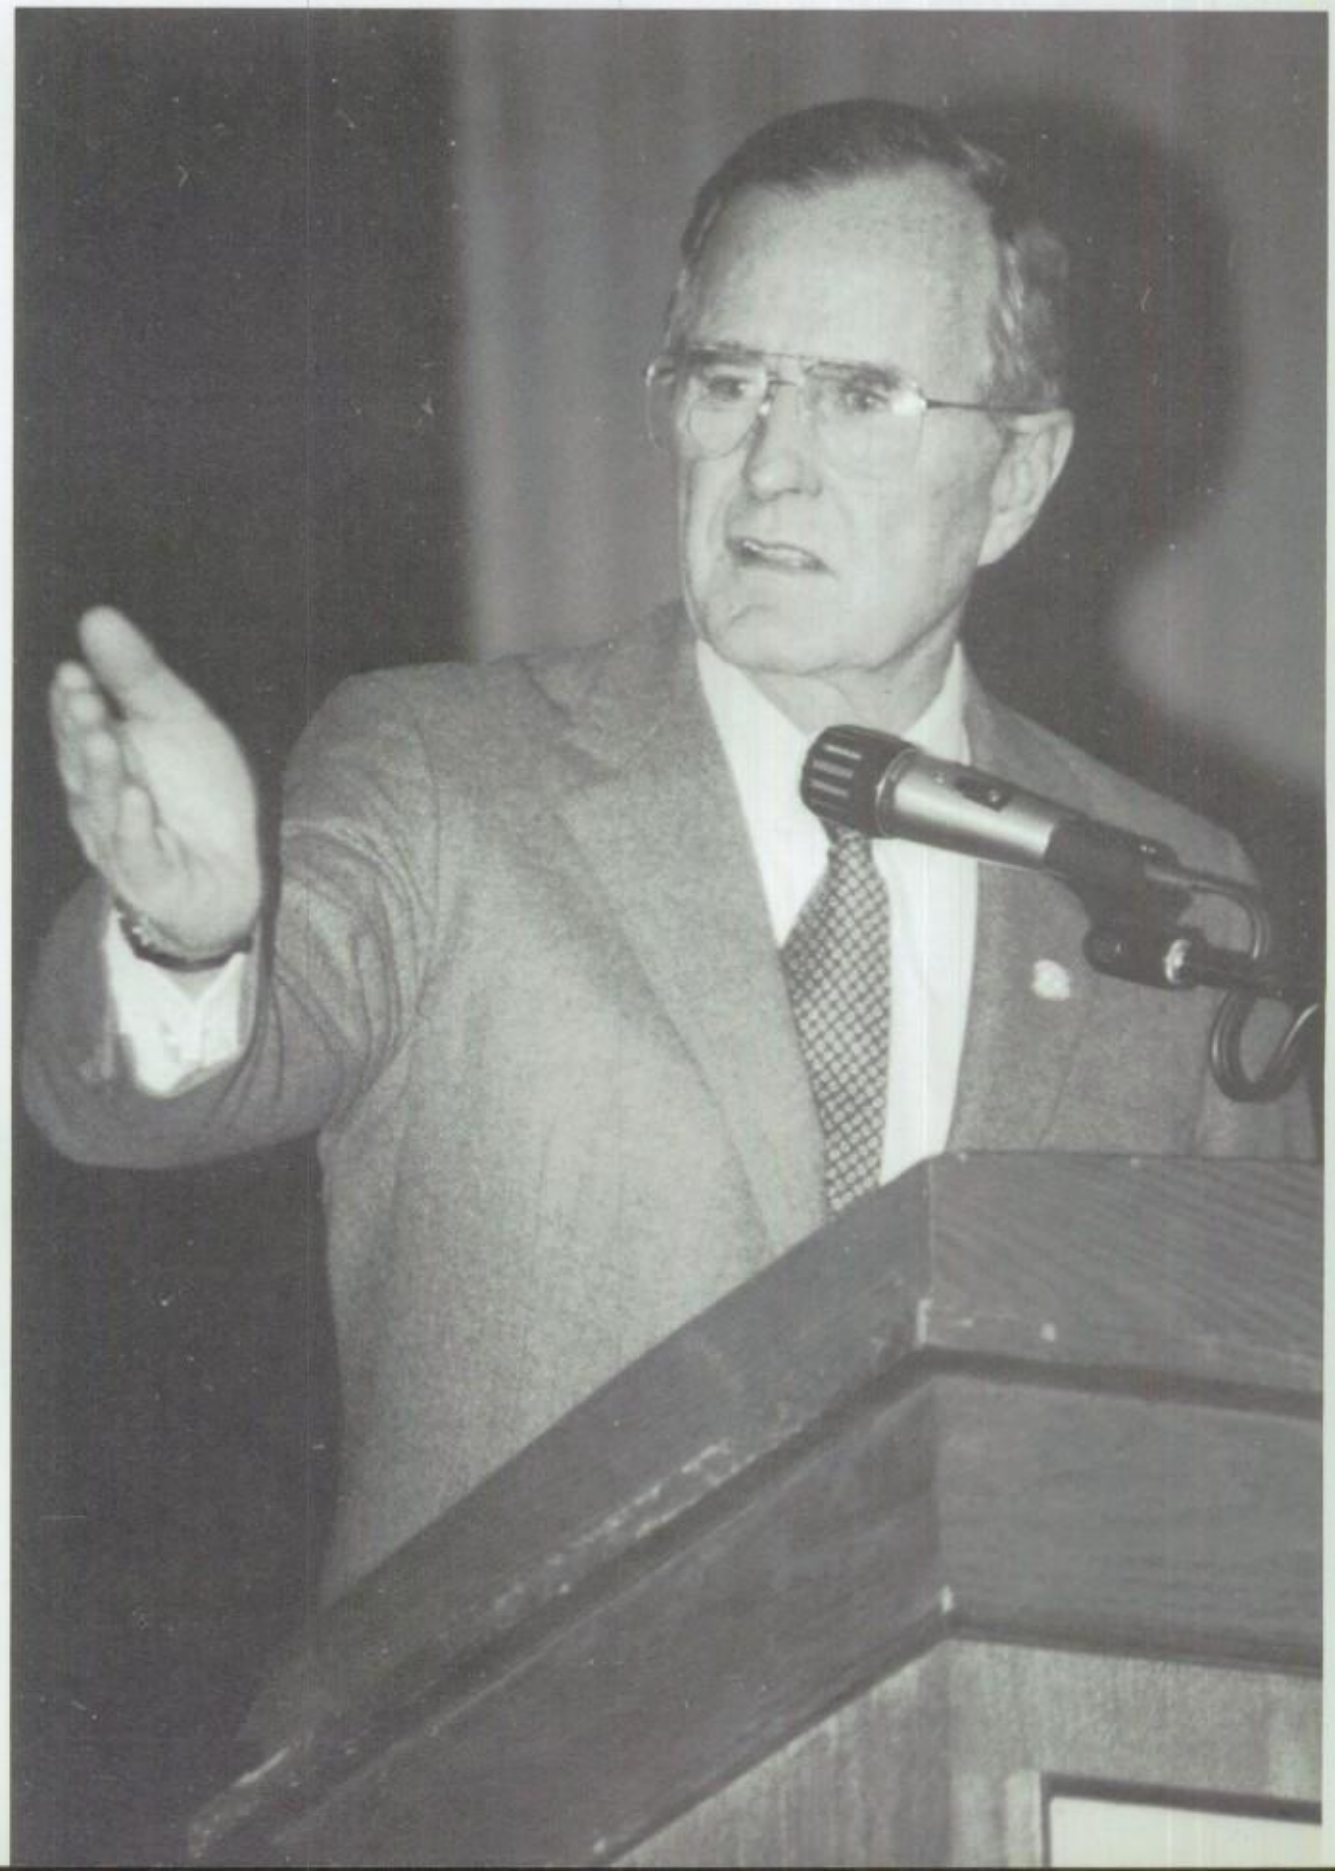
Here at West High we got to participate in this election because of the first in the nation primary in New Hampshire and the hard work of the Student Council. Senators Hart and Dole, and Vice President Bush all made speeches at West on their campaign swings through the state. As the race continues some candidates will fade and others will rise to the nomination. And once again New Hampshire and West have played an important role. Just as President Reagan once visited West, perhaps one of those who spoke here may also become President in 1988. Nonetheless, whoever is elected, the students who had the opportunity to see the candidates will remember the experience.



Kansas Senator Dole speaks about his personal qualifications for the Presidency.



Gary Hart displays and explains his detailed budget plans that he would propose if elected.



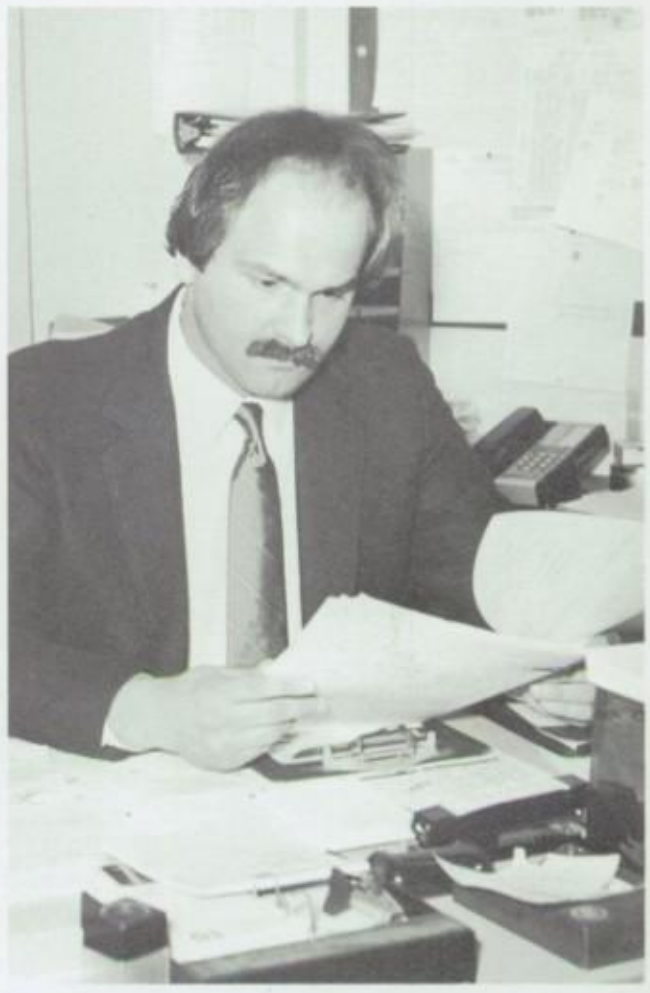
Incumbent Vice President Bush addresses the concerns of the West High student body.

COMING AND GOING

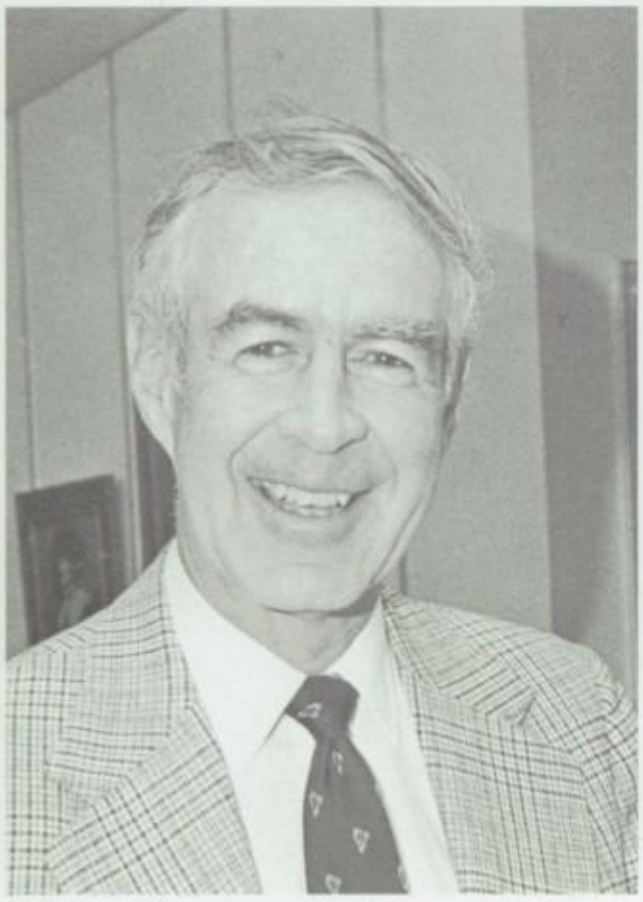
What could Memorial and West possibly have in common? Rivals for years, Memorial and West seem to be as different as night and day. The students know it, the faculty knows it, the whole city knows it. So what could they possibly have in common? Both recognize excellence.

Mr. Arthur Adamakos recently joined West as assistant principal after teaching at Memorial since 1981. While at Memorial, Mr. Adamakos advised the yearbook and Student Council, organized Operation Liquor-Free Graduation, taught social studies, and served on many administrative committees. He also works as an administrative assistant at the Green Meadows Golf Club Inc., where he helps run the pro-shop and is a software specialist.

Memorial and West recognized excellence in Mr. Adamakos. What distinguishes West from Memorial? Just look where Mr. Adamakos is working now and see for yourself.



On September ninth, Mr. Healy, Mr. Vigneault and Chief Walbourne may be heading to the golf courses in celebration of their retirement as their friends at West trek off to another first day of school. After years of service, each has decided to dedicate some time to himself. Mr. Vigneault leads the pack with



twenty-six years of teaching at West followed by Chief Walbourne with seventeen and Mr. Healy, sixteen.

Mr. Vigneault states, "Everyone here has been good to me; students, faculty, staff and administration, I want to thank everyone. I'm proud to be a part of West." Mr. Healy echoes this sentiment and Chief Walbourne adds "West's diversity makes the school like a microcosm of our nation. That's one of the best points of West. I'm convinced it is the best high school in the city."

We wish them happiness in their retirement and thank each for sharing so much with all of us at West.

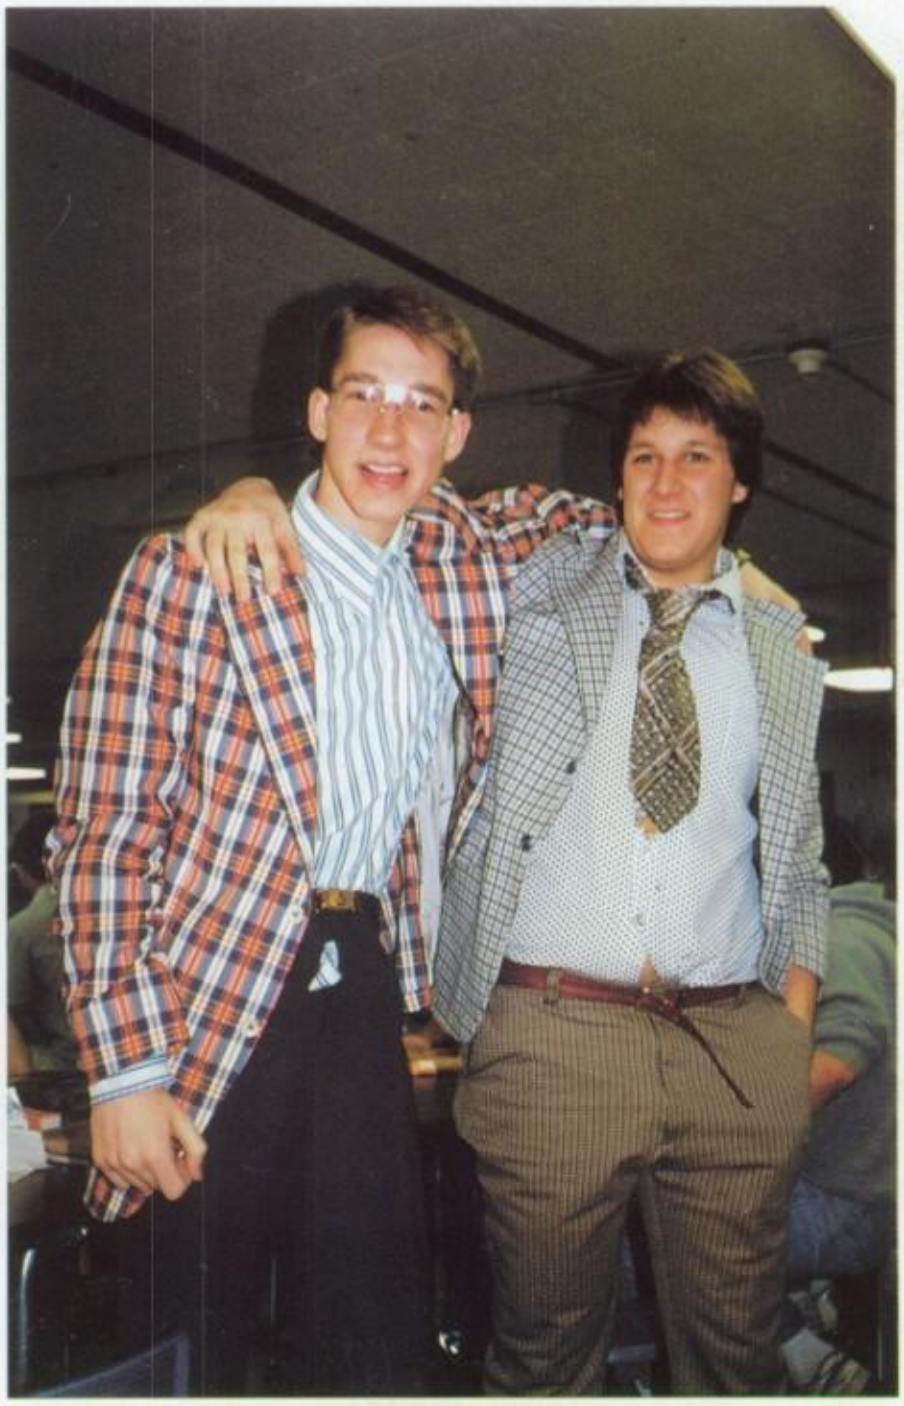
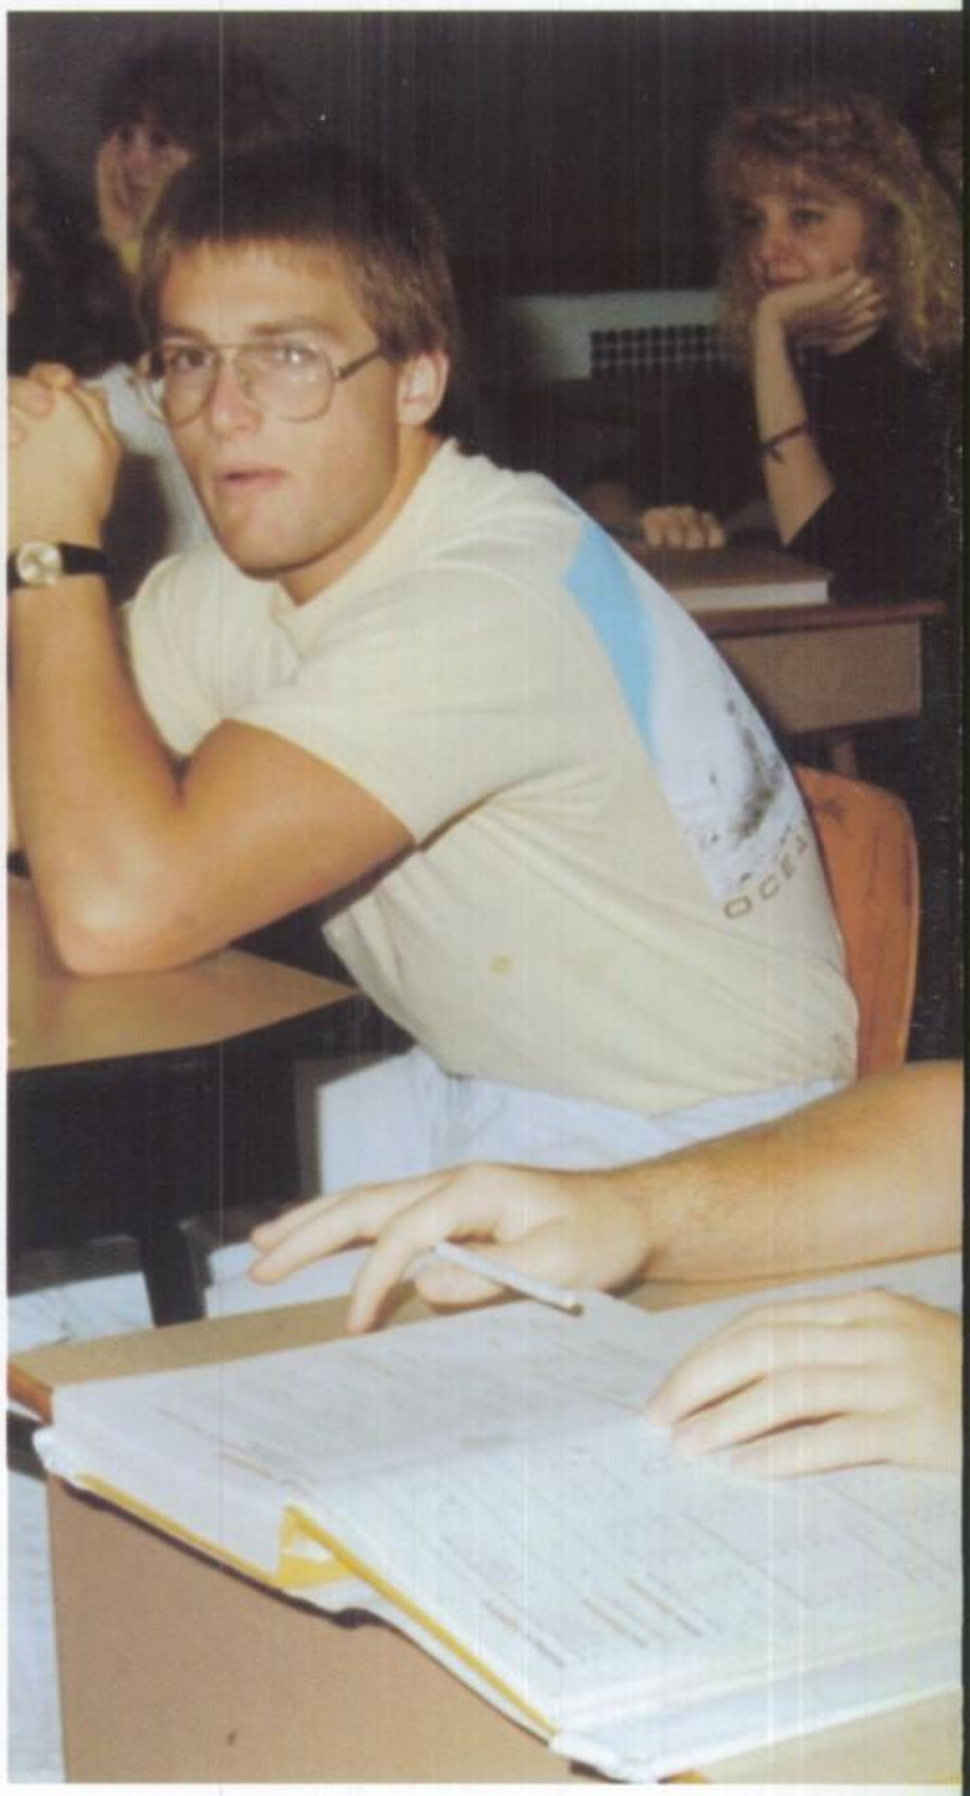
Neil Seethaler and Ken Lamy show West just how dorky they can be during West Week's Nerd Day.



Not Just

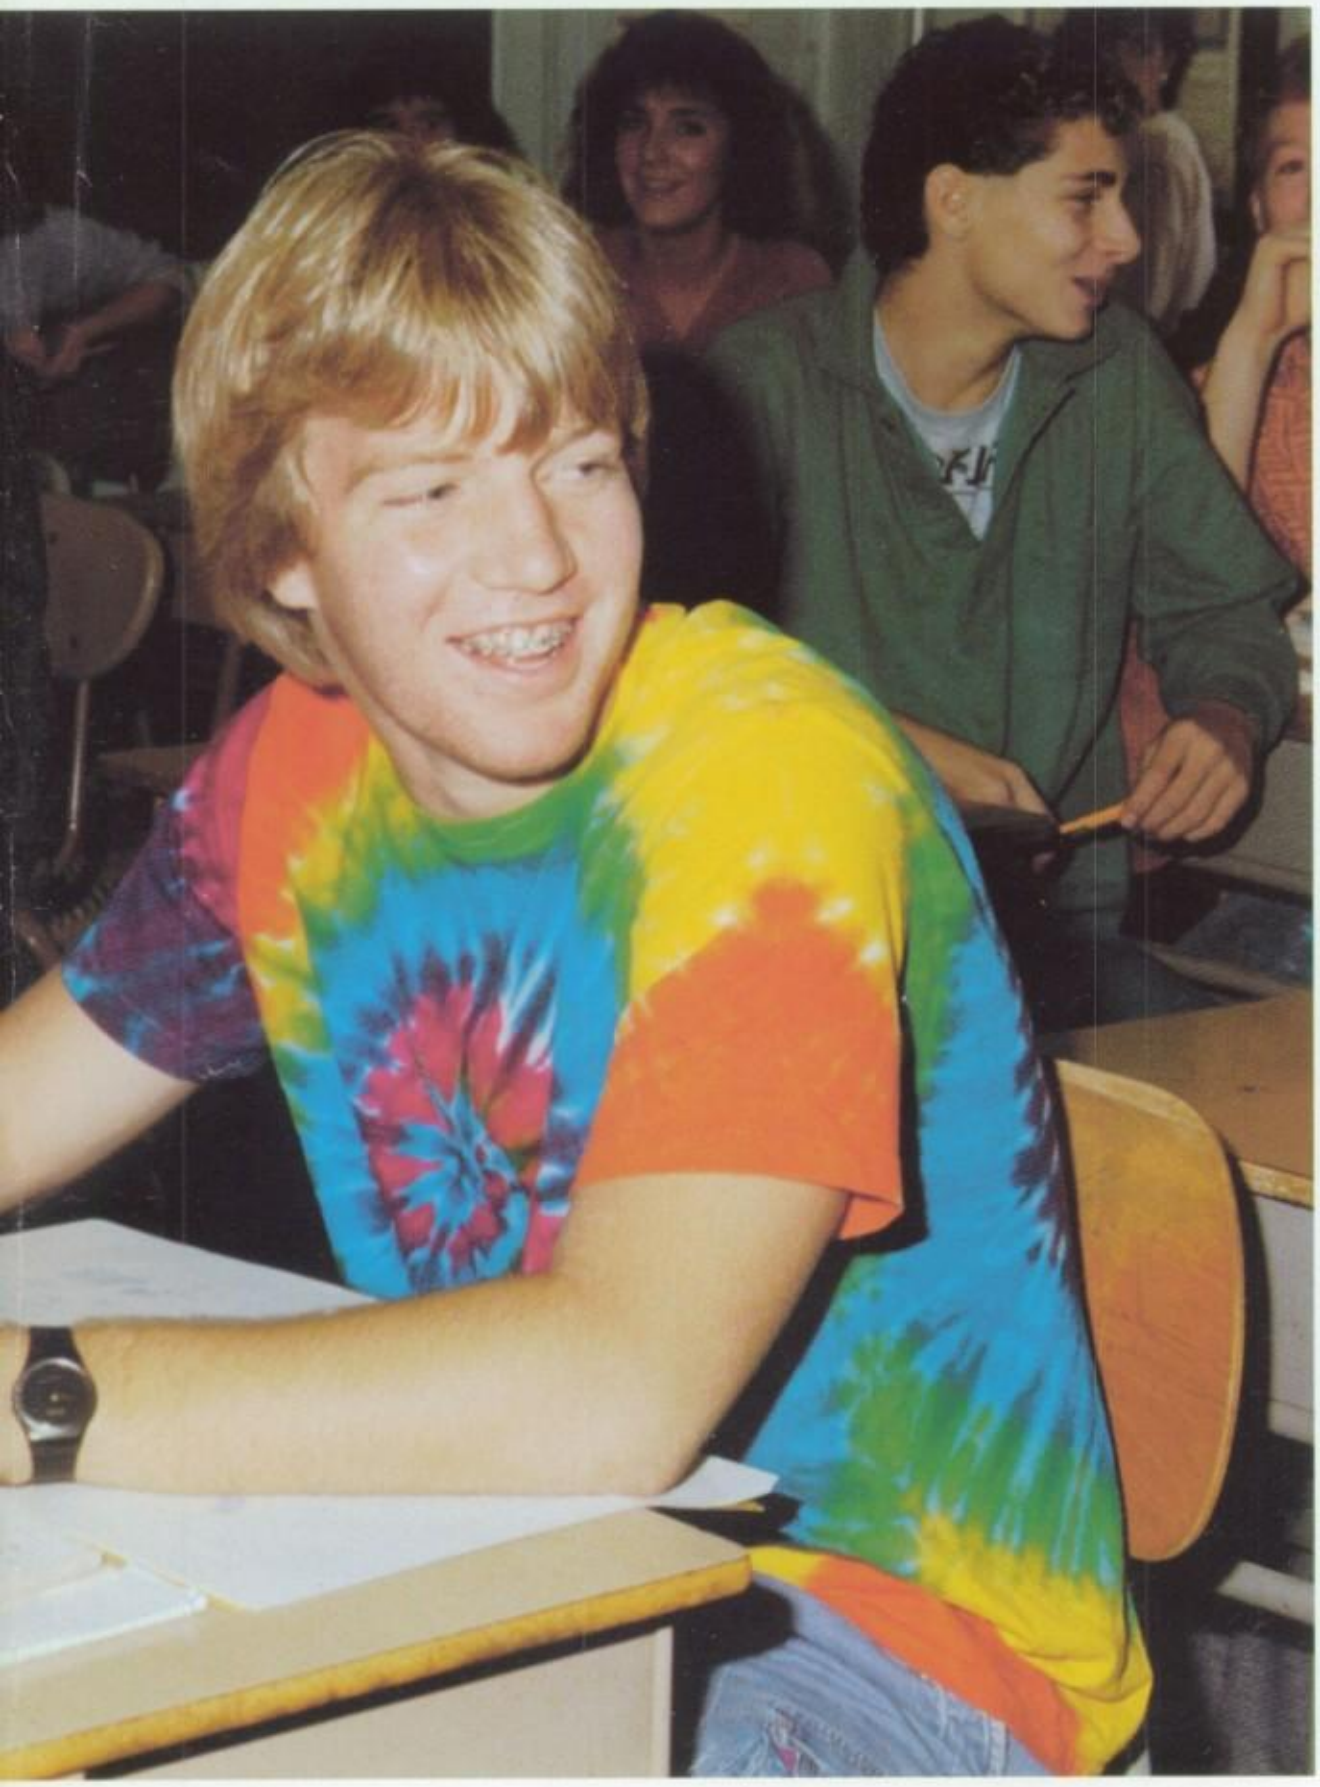
RUN OF THE MILL

"I swear I wasn't fighting!" insists Jeff Magdziasz.



Distracted again, Pat Haley turns to his buddy to discuss a math problem, no doubt!

Why did the chicken cross the road? To get to the Turkey Bowl, of course!



Thus you see, West isn't just an ordinary high school. It's a place for learning; learning to laugh, cry, love, share, grow, give, receive and care. All the things one must internalize to become a complete person and lead a fulfilling life. The special memories we included in the pages of this book have been carefully and thoughtfully selected to provide all readers with the best West has experienced during the past year. The Thesaurus Staff in choosing the theme of the '88 West High Yearbook - "Not Just Run of the Mill", wanted to recognize the West High students, faculty and administration both for providing an atmosphere for individual growth and the spirit of teamwork.

We've only just begun...
